ATHLETIC POLICIES

Brazosport Christian School Mission

Brazosport Christian School is a Biblically based Christian school, providing to Christian families a curriculum of excellence, developing character and leadership for prosperous life ministry.

Athletics Mission

Brazosport Christian School coaches and student-athletes project an image of gracious competitors who embrace challenge, enjoy the process, win with humility, handle defeat with dignity, advocate for their sport, and are positive role models.

Philosophy

Our goal is to train and develop students' spirits, souls, and bodies. We are fulfilling that goal by training students to live responsible and successful lives based in the Word of God.

BCS believes quality education includes the opportunity to participate in athletic programs. The athletic program is a voluntary privilege that requires an investment of considerable time outside the school day. The students are expected to represent BCS as a part of the Christian community with exemplary behavior wherever they go (Philippians 1:27).

It is vital that each student involved with the athletic program realizes that no matter how formidable the opposition, the team competes to win. Every athlete should strive to be first (1 Corinthians 9:24). However, the student must know there is no shame or disgrace to the team that plays its best and is behind at the end of the contest. Winning is not the guiding principle. It is how well the team or individual competes.

The strength of athletics lies in its ability to develop character traits such as cooperation, determination, perseverance, self-control, discipline of emotion, sportsmanship, humility, commitment, and maturity. These traits are part of the fruit of the spirit (Galatians 5:22). Therefore, athletics is valuable to the Christian community and the Christian school.

BCS is committed to training and developing our students for Christian service and leadership. Athletics is not the whole answer to character development at our school; it is but one building block of many designed for Christian character development of the student at BCS.

Eligibility

Each student participating in the athletic program will be required to meet certain minimum standards in the area of academics. He/she will also be expected to maintain at all times a proper Christian testimony for the Lord.

All high school sports are governed by the rules of the Texas Association of Private and Parochial Schools (TAPPS).

9th – 12th graders may try out for each sport as determined by the Athletic Director and the coach.

BCS policies may be changed from time to time, as the school, in its sole discretion, may elect. Furthermore, such policies shall be considered in light of the overall policies and proceedings established for the school's students. The policies expressed herein, as they may be amended from time to time, shall supersede and have control over any previously published guidelines and/or policies.*

A student must not be on Academic or Conduct Probation as outlined in the Student handbook in order to make the team. A student with an incomplete on their report card is ineligible for extra-curricular activities or sports. The Head of School or Athletic Director may make exceptions.

A student must be in attendance at BCS for half of their scheduled classes on the day of practice or games in order to participate. The Head of School or Athletic Director may make exceptions.

A student must be in good standing with the school and the particular area of participation. This means that school owned equipment checked out by a participant in any sport is his/her responsibility; the loss or misuse of equipment will be the financial obligation of the participant. Participants will not be allowed to continue competition or receive awards until that obligation is fulfilled. Charges are based on current replacement costs.

The student must follow these guidelines to become eligible to participate in practice or games, as an athlete or student manager/statistician.

A student must have the following forms (filled out completely and signed) on file with the athletic office before clearance is given to participate in any high school sport. **THE FOLLOWING FORMS ARE DUE EACH YEAR PRIOR TO THE FIRST PRACTICE.** The forms are available on the BCS website under "Documents".

- TAPPS Physical Examination Form for 9th-12th grade athletes. The Physical Examination form must be completed EACH YEAR OF HIGH SCHOOL by a doctor.
- TAPPS Medical History Form for 9th-12th grade athletes. The Medical History form must be completed by a parent annually.
- TAPPS Acknowledgement of Rules Form for 9th- 12th grade athletes
- TAPPS Steroid Form for 9th-12th grade athletes

Athletic Fee Schedule

All athletic fees must be paid prior to the first practice. There is no family maximum. Fees are per athlete.

- Football: \$175
- Volleyball: \$100
- Basketball: \$115
- Baseball: \$100
- Softball: \$100
- Track: \$100
- Golf: \$150

Team Rules Of Conduct

The student who chooses to participate in the athletic program is in a unique position. Many public and private schools, media, parents, guests, peers, teachers, and the public at large will observe him/her. It is an opportunity to demonstrate one's desire to be Christ-like in sportsmanship and performance.

Coaches will be responsible for the conduct of their teams. The coach shall provide a set of rules explaining conduct and penalties for both minor and major infraction of the rules in the following areas.

A participant must adhere to all of the requirements of the Student handbook and the Athletic handbook.

A participant in any sport is required to be neat, clean, well groomed, and in proper attire for games and practice.

The dressing rooms and all team areas will be kept clean. Athletes are expected to maintain a clean positive environment.

A participant will exhibit a Christian lifestyle and represent the school in a Christ-like manner at all times. Failure to commit to this lifestyle may result in the forfeiture of the opportunity to participate in the athletic program.

A participant must be ready to show effort, cooperation, respect, and support for coaches and other team members.

A participant on academic or conduct probation may be removed from the team. It is at the discretion of the coach if the student is allowed to travel with the team to out-of-town games. He/she is not allowed to participate in games while on probation. In the case of special competitions, contests, tournaments, etc. participation by the athlete is at the discretion of the Athletic Director.

A participant is expected to attend all scheduled practices, meetings and contests whether or not school is in session. If it is necessary to miss any meeting, practice or game, prior arrangements must be made with the coach. Participants may be dismissed from the team after any unexcused absences. Unexcused absences are those, which are for personal benefit. Excused absences are outlined under "Attendance" in the Student handbook. Injured athletes who are able to attend school are expected to attend practice sessions. Any non-emergency absences from games or practice will be considered unexcused.

For excused absences from classes due to sports, it is the student's responsibility to check with the teacher prior to the absence, if possible, for the assignments.

A participant will know the procedures for being "cut" from the team if cuts are to be made.

All equipment must be turned in from a previous sport to begin practice in the second sport unless the participant is involved in overlapping sports.

A participant will know what is expected of him/her in order to receive an athletic award. Requirements for lettering in a Varsity Sport are outlined in this handbook.

Participants must complete the entire season to be eligible for awards and honors. Participants are expected to commit for the entire season's program in the sport(s) they select, including tournaments and playoffs. They will not be allowed to quit one sport in order to start another sport. If a student quits a sport once the roster has been submitted to TAPPS, they will suffer the consequence of not being allowed to participate in the next sport, including possibly the fall sport of the next year. The consequence for quitting a sport early is at the discretion of the Athletic Director. The student must honor his/her commitment to the team.

In addition, the participants may be required to adhere to any other rules and requirements adopted and enforced by the coach and approved by the Athletic Director and/or Head of School.

In case of minor or major infractions of the above stated rules, the coach of the sport may place the athlete on probation or suspension until the matter is resolved. After a coach has met with the athlete at least one time to explain the disciplinary action, and the student understands the requirement, the matter will be considered resolved. This meeting may involve parents unless exclusion from the sport is the penalty, in which case the parents must be involved. The coach will be responsible for notifying the Athletic Director of any intention to exclude or suspend a student from a sport prior to the meeting with the student athlete and his/her parents.

Travel

All athletes are expected to travel to and from all away contests in transportation provided by or arranged by the school. Boys and girls will not sit together. All athletes are expected to arrange their own transportation to and from home games. The one exception is for home football games; the football players and their support staff are expected to arrange their own transportation to and from BCS. The school will transport the football players and their support staff to the location of the home football game.

In case of personal or family inconvenience, other travel arrangements may be made with the coach. If the parent of the athlete wishes for the athlete to ride home with an adult (other than the parent), they must sign the Alternate Transportation Form and turn it in to the coach prior to the trip. Athletes will only be released to adults (over the age of 18). Parents/legal guardians transporting their own children do not need to submit an Alternate Transportation Form. The Alternate Transportation Form can be found on the BCS website under "Documents". Upon departing from the contest, the coach will have a team roster to check attendance. The coach will then be responsible for transporting all students whose names remain on the roster.

Athletes traveling to and from games will dress in attire designated by the coach and in keeping with the BCS dress code. The electronic device policy in the Student handbook applies to athletic trips as well. School vehicles will be left clean after each use.

The drivers of the vehicle are the ultimate authority and all students must submit to his/her instructions. Any student who does not comply with the above-mentioned travel rules will forfeit his/her right to travel with the team.

Equipment

The athlete will be held financially responsible for any lost or misplaced equipment. The cost of any uniform returned in a condition in which it cannot be reissued will be charged to the athlete; this includes uniforms that have been improperly laundered or cared for. The cost of any deliberate mutilation of school property will be charged to the athlete. Athletes will not be allowed to continue in or begin a new season until all financial obligations have been cleared. Current replacement costs will determine the amount for which the athlete will be held accountable.

Player Expense

The athletic program at BCS is supported in part by gate receipts, fundraising, and gifts. The student athlete's parents will be scheduled to work the gate for the games and at annual fundraisers.

The athletic department supplies the players' game uniforms but the players will be required to buy a practice uniform. Participants will be expected to furnish their own shoes, socks, and other needed items for the sport in which they are competing. The athletic department will provide criteria for shoes. The student must provide special wraps, braces, or supports. Additional personal expenses may be incurred while the team is traveling (i.e. eating, lodging, etc.).

Requirements For Athletic Awards And Lettering In A Varsity Sport

- Attendance, general attitude, sportsmanship, practice, game, and training participation, as well as participation in all athletic fundraisers are to be considered. Consideration must also include an athlete's effort to excel to the best of his or her ability.
- In the event that a player is injured in a sport and not allowed to participate further, he or she will be entitled to an award upon the recommendation of the coach.
- Athletes must complete the season in which they lettered in good standing.
- With regards to letter jackets, an athlete may not order a letter jacket until he/she has completed an entire season and has fulfilled the requirements.
- Each coach/sponsor/teacher will provide a list of eligible students to the Herff Jones representative. We will take letter jacket orders two-three times per year. After completion of the year or eligibility requirement, you will be able to place the order the next time the Herff Jones representative comes to the campus to take orders.

Eagles Wings Athletic Booster Club

- The athletic program at BCS is supported in part by gate receipts, concessions, and fundraising. The BCS Booster Club is responsible for gate keeping and concessions at all games, as well as fund-raisers approved by BCS Administration. The success of athletic fund-raisers directly benefits student athletes and their parents by allowing BCS to keep athletic fees as low as possible. Every BCS athlete is expected to participate in all Athletic Fundraisers sponsored by the Booster Club. The student athlete's parents will be scheduled to work the gate and concessions for the games and at annual fund-raisers.

School Mascot

The school mascot falls under the authority of the Cheerleading Program Director or the Athletic Director, as well as the guidelines outlined in the Student and Athletic Handbook.
